

Regional Energy Resilience Plan

Lindsay McClure
Energy & Project Manager

Hood River County Energy Council
June 4, 2026

ODOE County Energy Resilience Grant Program

- Created by Oregon HB 3630, which passed in 2023
- Nineteen out of 36 Oregon counties are participating

Resilience Plan Outreach

- Surveys created for households, critical public service facilities, and community-based organizations
- Tabling and/or presentations at county fairs, wildfire preparedness events, and other meetings
- Attended meetings and summits focused on food and housing insecurity

Case Studies

**Gloria
Center**

**Wasco County
Resilience Project**

**Wy'east Middle
School**

Regional Energy Resilience Plan

Three focus areas

- Evaluate **current scenario**
- Improve **energy resilience**
- Increase **energy independence**

Appendix includes

- Seventeen community profiles
- Reference maps
- Disaster fuel plans
- Outreach reports
